This was the first official announcement of the coup d'etat staged in the middle of the night. It is widely reported that all Ministers' residences were surrounded by Army elements between 3 and 5 o'clock in the morning and the Ministers whisked away by men of the Military Intelligence.

while a detailed inquiry will be conducted into the factors that contributed to the shattering blow that befell the ruling party in Madhya Pradesh, the immediate Madhya Pradesh, the immediate of finding a leader of the electorate.

The final party position is: Congress 157, CPI 50, Forward Bloc 13, RSP 7, PSP 5, Lok Sevak Sangh 4, Gorkha League 2 and Independents 14.

REASONS ANALYSED

Burma's 56-year-old Prime Minister, U Nu, became the first Prime Minister of an independent Burma in 1948. He led the country until 1956 when he resigned to devote himself to the re-organisation of the Anti-Fascist People's Freedom League (AFPFL). the Government party.

U Nu is one of Asia's leading neutralist figures. He has always been close in his thinking and personal relationship to Mr. Nehru, the Indian Prime Minister.

U Nu's neutrality springs from his staunch Buddhist beliefs, with hatred of violence.

An example of his scrupulous neutralism was when during a visit to Peking, he praised the Americans as "courageous and generous people", and when in 1976-bisters are forward to the Civil provised the process of the process of the Americans as "courageous and generous people", and when in 1976-bisters are forward to the Civil 1986 when he resigned to devote himself to the re-organisation of the congressmen, internal sabotates by rejected candidates and their supporters and above all want of a virile leadership must account for the shattering of the fortunes of the Congress in the elections. One feature of the results is the increase in the number of independents to 39 who include a number of Congress 'rebels' and former Rulers.

It is interesting to note that the Communist Party which has three members in the present Assembly secured only one seat in the elections and that too from Bhopal. The Jan Sangh has added substantially to its strength and has got 41 seats. The P.S.P. has also imported the process of the congress of the congres

PARTY MEETING ON MARCH 8

(FROM OUR CORRESPONDENT)

BANGALORE, March 2.
The 14-member Jatti Cabinet in Mysore has tendered its resignation. The Governor yesterday issued a notification dissolving the 205-member State Assembly.

With the Congress Party having been voted back to power in the State for the third time in succession, attention has now shifted to the question of the future leader to head the new party Government. ernment.

Mr. Jatti who returned here last night from Jamkhandi told Press night from Jamkhandi told Press-men that a meeting of the newly-elected members of the party had been convened tentatively for March 8 afternoon in Bangalore. Mr. Jatti to-night received his Cabinet colleagues and Deputy Ministers for a farewell meeting. They had all tendered their indivi-dual resignations to him.

Mr. Nijalingappa, who is a member of the Congress Working Committee who has left for Delhi, will presumably give the top leaders of the party an assessment of the elections in the State. He is expected to return here on March 4.

NEHRU

NEW DELHI, March 2.
Mr. Mohan Lal Sukhadia, Chief Minister of Rajasthan, met Prime Minister Nehru here to-day and is understood to have discussed with him matters relating to the formation of a Ministry in his State.

The Congress Party in Rajasthan which won 88 seats in a House of 176, has been able to secure a majority of one with the joining of an independent candiexanded as a sequel to the Jatti-Nijalingappa accord last year.

The spirit of concord between the two wings generated by the Jatti-Nijalingappa accord began to wear out on the eve of the elections. As the selection of party nominees for the elections was proceeding, the latent cleavage showed itself up and there were open accusations of partisanship in the choice of the candidates. Matters came to such a pitch that the Pradesh Congress Election Committee, on which both the wings were represented, could hardly reach unanimity on a large number of names until the question was settled by the Central Election Committee. The final selections evoked comments that there was once more an understanding between Mr. Jatti and Mr. Nitalingappa owing to electoral exigencies.
